

Helping Hoboken and New Jersey Build a New Energy Future

Lime Energy plus New Jersey's Clean Energy Program Direct Install

Unlocking Energy's Business Potential

- Created specifically for existing small to medium-sized facilities, Direct Install 70% of the project cost for replacing lighting, HVAC and other outdated operational equipment with energy efficiency alternatives.
- Existing small to mid-sized commercial and industrial facilities with a peak electric demand that did not exceed 200 kW in any of the preceding 12 months are eligible to participate in Direct Install. Applicants will submit the last 12 months of electric utility bills indicating that they are below the demand threshold and have occupied the building during that time. Buildings must be located in New Jersey and served by one of the state's public, regulated electric or natural gas utility companies.

Eligible Measures

- **Interior Lighting** — Upgrade office, warehouse, showroom, retail shop and more to energy-efficient T8 or LED lighting
- **Exterior Lighting** — Upgrade pole, parking lot, and perimeter lighting to energy-efficient LED lighting
- **Heating and Cooling** — Upgrade boilers, furnaces and central air units (HVAC)
- **Refrigeration** — Upgrade case lighting, motors and compressors
- Making these equipment upgrades now will quickly put money back in your pocket every month. And, lead to BIG savings for your business later.

How the program benefits your business?

- Reduce your operating costs to increase profitability
- Increase customer comfort to improve sales
- Enhanced employee productivity
- Improve workplace safety and reduce potential hazards
- Raise the value of your business and its appearance

Participating in Direct Install is easy

- Schedule a **FREE**, no obligation energy assessment.
- You will receive a proposal outlining all equipment eligible for replacement, estimated energy savings and payback period.
- Lime Energy manages the upgrade project and handles all paperwork.
- 70% of the project cost is paid up-front and enjoy energy savings for years to come.

Meet Our Customers

- **Tom Carroll Scenery**

Thomas J. Carroll Jersey City, NJ

“Lime Energy was very accommodating. They improved our work environment in so many ways and was with us from beginning to end.”

- **Spano Fastening Systems**

Gregory Spano Bergenfield, NJ

“Our warehouse has never looked so good or felt so comfortable. Lime Energy was professional and easy to work with. I would recommend this program to everyone.”
