

Mayor Zimmer, the Hoboken Green Team, and the Hoboken Public Library
host an

Energy Savings Workshop

A hands-on community forum to help residents and businesses cut their energy bills and save money, while helping to create a cleaner, greener Hoboken.

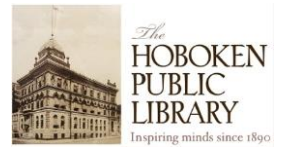

May 4, 2017

Hoboken Public Library

6:30 p.m. – 8:00 p.m.

The workshop will feature presentations by the Hoboken Solar Challenge, New Jersey's Clean Energy program™, and Direct Install program, followed by an open house with vendors of energy efficiency and renewable energy products and services.

- Get quotes from pre-qualified solar installers and directly compares lease vs. purchase costs with the **Hoboken Solar Challenge**
- Get financial incentives, programs, and services with **New Jersey's Clean Energy Program**
- Get a free energy assessment and up to 70% of the cost of energy savings upgrades with the **Direct Install Program**
