# Benefits of NJ State Contract Purchase

- **Low Price Guarantee:** Retail Cost of Equipment is \$154,219. Cost on State Contract is \$140,339
- **No Contractor Mark-Up:** Contract bidders generally mark up 20%, but when you buy direct from manufacturer off NJ State Contract there is no one to mark it up. Potential savings of \$45,000.
- **No Danger of “As Equal”:** The City of Hoboken receives the equipment we selected and proposed by Suburban Consultants approved by City Council. We won't have to live with a contractor's cheaper, lower quality choice.
- **Direct Relationship with Manufacturer:** The City purchases directly from the manufacturer. This eliminates the middleman. If there is a problem, we can call customer service directly.
