In accordance with N.J.S.A. 40A:14-7 and N.J.S.A. 40A:14-118, the Mayor of the City of Hoboken shall act as the "Appropriate Authority."

It will be necessary from time to time for the Appropriate Authority to promulgate rules, regulations and establish policy for the Police and Fire Divisions. The Appropriate Authority through this General Order system shall issue numerical directives with the year designated first, followed by the numbered General Order for that year.

General Orders shall only be issued to the Chiefs of the Fire and Police Divisions. The Chiefs shall then be responsible for dissemination of policies and regulations to members of their Divisions through procedures established by them and for the proper and timely enforcement.

Both Divisions shall maintain in the Chiefs' offices, along with the Mayor's Office an "Appropriate Authority" General Orders Manual that shall be maintained and kept up to date.
