By signing this form you understand that you are forfeiting your assignment of parking privileges in a municipal parking facility. You must surrender your transponder at the time of submitting this form. You will be placed on a waiting list with priority over those who have not similarly forfeited their privileges, in chronological order based on the date of this form. If and when you wish to resume parking per the arrangements for which you are currently forfeiting, you must notify the Hoboken Parking Utility. The Hoboken Parking Utility is under no obligation to immediately reinstate your parking privileges; you may have to wait an indefinite amount of time until a parking assignment becomes available.
